## Search the Word Bible Memory Verses

### **Stage 5**

*Age 11-12*

Children of this age will probably be transferring from one school to another. Settling into a new school can be challenging. Encourage them to develop their own devotional life with God, if they have not already done so. Let them learn the blessing of taking every situation to God. Despite their changing circumstances, may their faith in the Unchangeable God be found steadfast.

I trust that this selection of verses will not only help to deepen their faith in Almighty God but also encourage them to share that faith with others. May the Lord be so real to them that they will never be ashamed to stand up for Him!

There are 104 memory verses in this section. I suggest that the children spend a week learning each memory verse.

# Introduction

A foundation for life is laid in childhood. What and how a child is taught influences him or her both for time and eternity. Boys and girls are not only educated in their school classroom, but also in their church, in their home and by their company. All these influences can have an impact for either good or bad. It is essential, therefore, that our children are diligently taught the truth in an attitude of love.

Many underestimate the power of God's Word to transform lives. It is quick and powerful and sharper than any two-edged sword (Heb 4v12); it makes us wise unto salvation (2 Tim 3v15); and it keeps us from sinning against God (Psalm 119v11). Boys and girls need to experience this transforming power in their lives too.

God wants Christian parents to lead their children by godly teaching and godly example based on His Word (cf. Deut 6v4-7). It is our responsibility to diligently teach the scriptures to our children in an attitude of love. They have a God-given ability to learn and retain facts in such a way to influence their lives. We need the truth to influence them for good. It is my desire that the riches of God's Word would be hidden deep in the hearts and minds of boys and girls. Hence the reason I have compiled this series of Bible verses to memorize with them.

Let me emphasize that the Bible verses found in these lists are intended as a springboard only. They cover a great variety of teaching concerning God, His salvation, and our responsibility to Him. However, this is not an exhaustive list of the only Bible verses that one needs to know. Read God's Word with your children every day and encourage them to learn other portions of it as well. Pray that as they memorize God's Word that the Lord will hide it deep within their hearts and use it to keep them pure and from evil.

Use this series of Bible verse lists by stages rather than by sticking rigidly to the ages that I have designed it for. Let the child learn at his or her own pace. Say a verse over with your child at least 10 times every day. Talk with them as to what each verse means. I strongly advise that you teach the verses in their context, especially for the older children. It is most important that they learn God's Word and its meaning.

This series can easily be adapted for use by adults. Just simply go through the initial stages more quickly than advised for children. Many of the verses in the initial stages should be familiar to you anyhow. Of course, if you are using this series of Bible verses lists with your children, you will find the benefit of learning with them!
